## CAREER OBJECTIVE

As a 3rd-year B.Tech (Information Technology) student at CMR University, I am passionate about web development and programming. I am currently enhancing my skills in HTML, CSS, JavaScript, and exploring frameworks such as Bootstrap, Tailwind CSS, and React.js. I am seeking internship opportunities where I can apply my learning through hands-on experience, contribute to real-world projects, and grow as a front-end developer in the tech industry.
